

Memorandum of Understanding(MOU)

*王学军 第九中学*  
(A) \_\_\_\_\_ AND \_\_\_\_\_ (B) *Gefion Gymnasium, Denmark*

We, \_\_\_\_\_ and \_\_\_\_\_ have decided to establish a cooperative relationship between schools, and to embark international cooperation and exchange programs as follows:

1. To pay a mutual visit between principals every other year for the communication of teaching and management methodologies.

2. To embark international exchanges between teachers once a year. A team of selected teachers from one side can go to study or work on the other side for a short period time (for instance a week, a month, a semester, half a year and so on). The international transportation expenses are to be covered by their own school, and the other expenses including accommodation are to be covered by the school on the other side.

3. Students exchange program such as Summer and Winter camps etc.

4. Other cooperation and exchanges to be developed.
